

## Lego Symmetry

### Supplies

1. Lego Type Blocks
2. Lego Base
3. Masking Tape

SYMMETRY WITH LEGO BRICKS

### Directions:

1. Place a piece of masking tape down the middle of the Lego base.
2. Place a lego on the left side, touching the tape.
3. Place an identical lego on the right side, touching the tape, directly across from the matching one on the left side.
4. Continue this process emphasizing symmetry.
